

# Harvest Festival Report Guide

Start by visiting [www.harvestfestivals.net/harvestfestivals.htm](http://www.harvestfestivals.net/harvestfestivals.htm). Choose a particular festival that takes place somewhere in the world. Find at least two other print or online sources about it, using your library catalog and keyword computer searching. Answer as many questions as you can. You may be asked to tell the class about your festival.

## MY HARVEST FESTIVAL

**My additional sources** *(Show these in the bibliographical format your teacher prefers.)*

---

---

**Where does it take place?** *(Find the location on a map or globe.)*

---

---

**When does it take place?**

---

---

**What food crop or crops does it celebrate?**

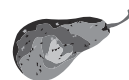

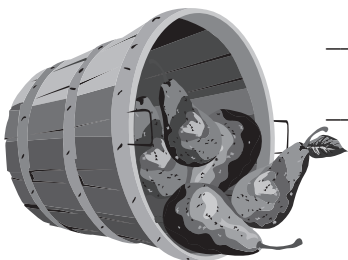

---

---

**For how long has this festival been held? How did it begin? What can you tell about its beginnings or history?**

---

---

**Where in the world do these crops grow?** *(Find these places on a map or globe.)*

---

---

**How does this crop grow?** *(What conditions does it need? How long does it take to mature? What labor is required? What special tools or machines are used?)*

---

---

**How is it harvested?** *(What labor is required? What special tools or machines are used?)*

---

---

**What activities make up the festival? Are there special activities for children?**  
If so, describe them.
